13. See attached letter to Byron Donalds regarding revised plans down Seminole Gulf Railway and CSX from Sarasota to Naples. Seminole Gulf/CSX are caught buying deeds on our property months after the Boston Bomb game in Tampa to kidnap Defendant. - THE CRIME -

Please give a brief recitation of the facts. (attach an additional page, if necessary):

Ryan Snyder and suspects set a foreclosure sale through advertisement for over 2300 acres and 6 separate parcels of land late August 2020 and SWITCHED OUT THE LEGAL DESCRIPTION, per the Clerk, the DAY OF THE SALE on OCTOBER 5, 2020.

Ryan Snyder and suspects replaced the legal with a 96acre homestead parcel where Daughtrey was reserved in Bankruptcy Court, so it only bid to \$185,001.00 dollars for a massive advertisement of over 2300 acres and six parcels.

Sarasota Commissioners and Environmental Staff with FDEP coordinated stealing \$3.5mil in Environmental easement funds, buying a 1000acre easement in the process when they simple could have PURCHASED THE WHOLE PROPERTY for \$185,002.00 dollars? Demonstrating the RACKETEERING with Tallahassee Water Supply funding and easements being played to pump polluted rivers from Desoto INTO Sarasota Taps for another 20yrs knowing this underground river existed showing WHITE COLLAR CRIMES involving Commissioners, Cops and Judges in region.

A copy of the LIES and they suspects on the stand in Hillsborough County in front of Judge Lynne Goudie on January 28, 2022 is shown below in link and is Public record for Hillsborough Case, State vs Gilberti – **Case 16-CF-10976-A.**

THIS VIDEO IS FULL PROOF OF SUSPECTS TESTIFYING TO THE FRAUD ON STAND BLAMING EACH OTHER AND THE COUNTY STATE ATTORNEYS OFFICE IN SARASOTA!! ED BRODSKI AND CHRIS HALLET WITH MARK ADAMS, ESQ.

This video zoom hearing is public record at Hillsborough County Clerk of Court to the public if link is not available for case 16-CF-10976-A, where Judge Mark Wolfe, Public Defender Chris Shaw, and State Attorneys April Johnson, Andrew Warrens office and more fabricated emails with Pam Bondi and Mark Ober to subdue Defendant illegally timed with lien cases, record terrorism acts based on emails or engineering submittals to FDEP, as shown in Gilberti vs Desantis, et. al, docketing at the US Supreme Court with Sarasota county commissioners, just like this many Sarasota related RICO cases have shown.

This was the only online sale for Sarasota that day with the Sheriff and County comptroller and online auction system.

This sale was from a Sarasota foreclosure in dispute, that involves a unique hidden US Resource for Water Supply, a gang of FDEP and EPA agencies and local developers have been hiding, giving him a Motive to do so,

What is your desired outcome for the case? To have suspects arrested for crimes and land returned to the proper owners and to move all their cows off the property immediately that could be damaging a critical US Water Supply resource with their actions and crimes against Humanity documented as related to hiding and doing this Land Grab with Sheriff Hoffman and Det Wyche of Sarasota County.

I swear and affirm the information on this form is true and correct.

To Whom it May Concern:

Re: CLOSER TO THE HEART

Over the past 13 years I have supervised & used downhole video units and water quality logging trucks in a variety of areas including Closer to the Heart. Based on the results obtained during our pull back zone testing, water quality is extremely good for both the area and depth, the pH values during zone testing ranged from 7.8 to 11

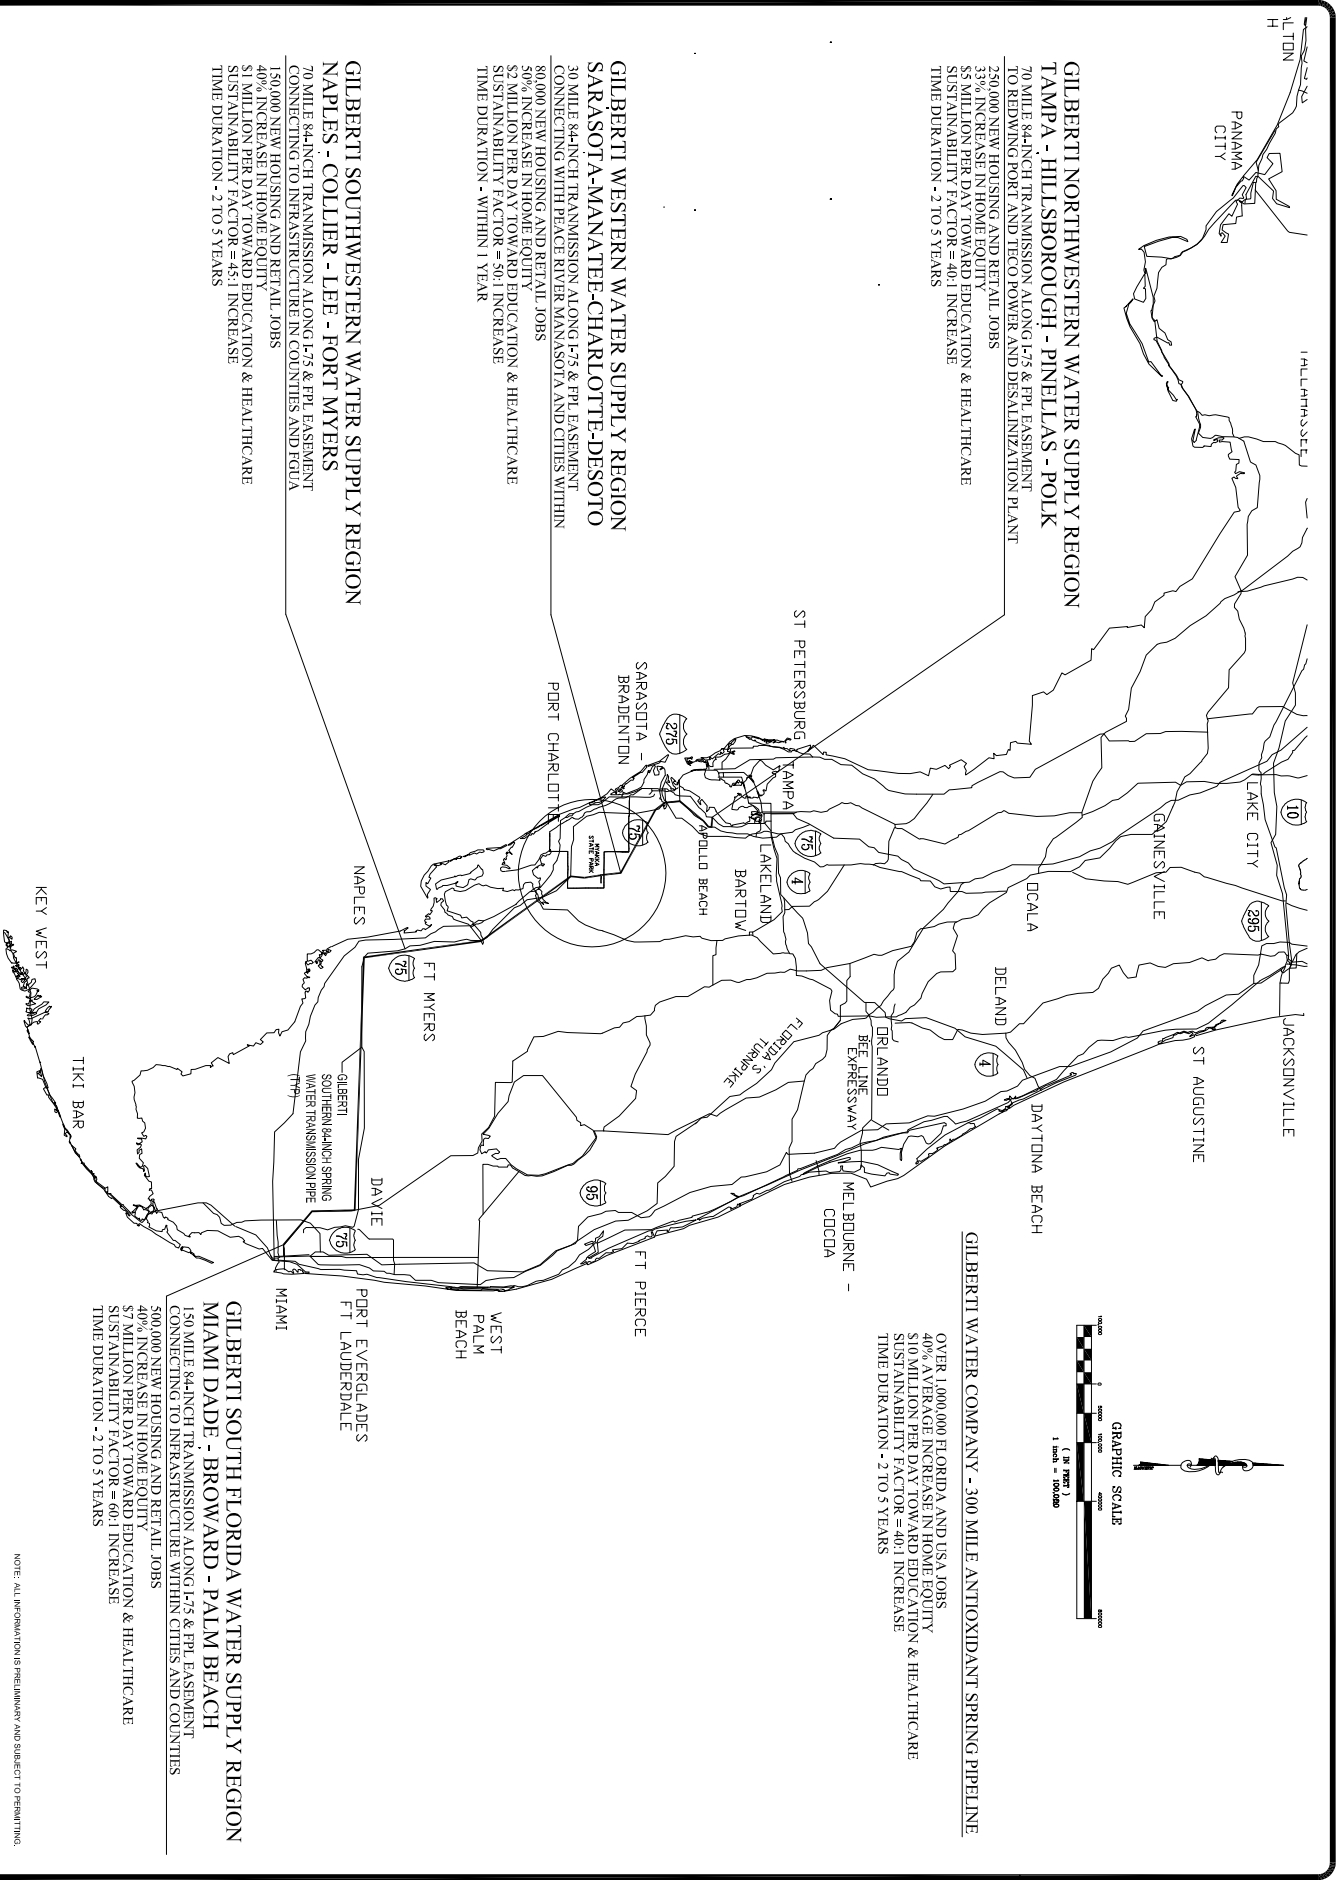

If you have any questions about the above information or if we may be of any further assistance please don't hesitate to call. Thank you.

Sincerely,

Jim Murray
