Joseph D. Gilberti, P.E., a licensed  
Professional Engineer

Defendant.

**DEFENDANTS MOTION TO DISQUALIFY JUDGE PADAR**

*Judge Padar attacking Joe Gilberti P.E., Defendants Civil Rights of Defendant during Complex title litigation involving expert Civil Engineering for Region under Title 18 US Code 241 & 242*

**COMES NOW**, Defendant, Joseph D. Gilberti, Jr., P.E., moves to disqualify Judge Donna Marie Padar from the above entitled matter, pursuant to Rule 2.160, Fla R. Gen Prac. and Jud Admin Rule 2.330, Fla Civil Procedure; this is a request for this court and its administration to Disqualify Judge Donna Marie Padar. Therefore, and as grounds presented in good faith, the Defendant would state as follows:

1. I am a person named in this case with land and mineral rights, also operating as engineer of Record for a permitting Regional drinking Water supply involving this land deeded to Defendant in 2013.

2. Judge Padar failed her duty to have Defendant in court within 21 days, and ignored Habius Corpus law so Sarasota County can expedite a Fraud Transfer to hide the underground River in permit to bring spring water to the Tap.

3. Judge Padar has refused any requests and is expediting a case that has no experts to damage a complex title litigation ongoing since 2011. The Following complex title cases where

attacked specifically by Judge Padar during the infusion of Illegal tax base by Sarasota County to purchase Defendants land owned since 2013, paying taxes.

Sarasota Case 2019 CA 04532 NC – Gilberti vs 72 Partners et al.

Sarasota Case 2011 CA 04209 NC – 72 Partners vs Cecil Daughtrey

Sarasota Case 2021 CA 1009 NC – 72 Partners vs Gilberti

Palm Beach County Case 2023 CA 16963 MB – Gilberti v George Bush et al - 9-11

3. Sarasota connection this case is exposing tomorrow with over 30 Judges and Leaders subpoenaed for aiding and assisting in a Fraud Transfer stealing over \$300million and over \$5million with Judge Padar and her ex Husbands Firm in Sarasota and Bonita.

4. Judge Padar purposely sabotaged Defendants regional project with Sarasota county, Mark Adams Public Defender, Chris Hallet and Tom Widen State Attorney since March 2021 to now, with key closing being called out on Judges, her friends, tomorrow, where defendant MUST put Judge Padar on the Stand in front of a Jury on timing and losing Defendant in the Jails for over 5months while Sarasota County with a gang of Judges and Commissioners, Utility Director and more attacheds as Exhibit A.

5. Judge Padar is assisting Seminole Gulf Railway and CSX treason with Congressman Byron Donalds in Naples and works with Silverio and Hall, owned by Judge Don T. Hall's wife, who all knew of this Resource since they were kids growing up with Cecil Daughtrey in Arcadia, with Kenny Harrison, next door of Peace River Water Board at Swfwmd during Hurricane Charlie days, now has become Peace River Manasota Water supply showing the most dangerous Water plant in the State of Florida due to Arsenic levels in Drinking Water and Amoebas that kill people at the Tap.

6. Many people have died and lost children due to Judge Padar and the gang of subpoenas attached.

7. Defendant filed a Writ of Prohibition to the Second DCA see case
8. Judge Padar is assisting the City of Naples and Village of Estero with Lee County Commissioner and Metro Politian Organization (MPO) to hide the regional water supply Resource to help Rick Scott and Obama fill cancer centers with kids for years.
9. Judge Padar attacked Defendant with many evaluations in an attempt to take his Civil Rights and conspired with the attached going against Title 18 USC 241-242.
10. Once Defendant passed the rediculous evaluations, with Doctors admitting, “Judge Padar is crazy” on video in front of witnesses for Gilberti vs FBI, et al. cases abroad, she IMMEDIATELY expedited Trial docketing knowing this will affect the outcome and damage the complex title litigation caused by Judge Walker and the entire 2ndDCA in fraud with Ryan Snyder and the region of criminal lawyers, Judges and Politicians.
11. A letter was sent to a new Utility Engineer in Manatee County who is now the Assistant County Manager and Professional Engineer in New York and Florida, Evan Pilochowski, P.E., who Defendant, Joe Gilberti PE and professional witnesses just had a conversation on the resource and his Feb 20, 2023 letter, he claims was blocked from him, and is now being expedited. This letter was blocked by a gang of County and State attorneys, lawyers in the Peace River Manasota Water Supply area where large tracts of land, such as Lakewood Ranch, Palmer Ranch with thousands of homes on Peace River Polluted site sourcing vs this secret hidden underground river saved for the 9-11 Sarsasota Connection to Bush Family who steals aquifers from Nations, such as Paraquay with Tampa Central Command and US Southern Command to create Wars, Hunger and more across Earth, while Judge Padar attacks Defendant with the entire State Attorneys office.

12. This State Attorneys office in Circuit 12 just appointed another Judge Felix as Chief Judge, who also knew of the Terrorism timed, with subduing Engineer and is also part of the Fraud Transfer and delays to our Emergency Motion in complex title litigation.

13. Judge Padar has attacked Defendant of almost 3 years to stop Clean Water to Sarasota and Manatee, and Manatee Ports, in an effort to help crooked developers like Neil Benderson, Pat Neil, Culverhouse and Lennar sell dirty homes and fill cancer centers and build a new Hospital off Loral Road and I-75.

14. Judge Padar and her assistant Lori have both attacked the region and defendants civil rights to attack Regional Water Supply.

15. Judge Padar works with Luis Rivera Trustee (who now is being Fired from the FGCU Trustee Board and Water School for the same) through 72 Partners LLC, and Sarasota County staff and commissioners to hide and assist in the Fraud Transfer aided and abedded by the entire 2ndDCA and Ron Desantis who just recently got a Manatee Park named after him, where her friend Tom Widen, the State Attorney who railroaded Defendant for past 3 years with Chris Hallet and Judge Krugg from Notre Dame Alumni who is friends with Lee Pallardy of Notre Dame, with this massive Catholic Church and Israel Zion spoiled rich kid crowd in Sarasota and Tampa with George Bush, Jeb Bush, Vern Buchanon and dirty Ron Desantis.

16. Judge Padar ignored the Emergency Motion for over 20 days now with the Chief Judges and Ed Brodskys entire staff under investigation by 50 States.

17. It is likely that Judge Padar will be a material witness in *Gilberti vs George Bush, et al*, in Palm Beach County that is served to New York City council weeks ago for an Evidentiary hearing to lower water bills in Florida and New York extremely once we detain these Judges conspiring against World Water Supply and USA unique Raw Drinking Water and National Defense resources, hidden by EPA for decades in a United Nations UNICEFF Eugenics operation

where Media hides critical water supply; and *Gilberti vs 72 Partners, et al* in Sarasota county case 2019 CA 04532 NC where a hearing is set for March 27, 2024.

18. Judge Padar has abused her authority and many witnesses and Jury members Defendant believes sees it.

19. Defendant cannot receive a fair trial with Judge Padar as she facilitated subduing the Defendant timed for 72 partners and Sarasota County to cover up the Fraud Transfer, helped by members of the 2ndDCA such as but not limited to Northcut. Judge Northcut is under Federal investigation with all Circuit 12, 13, 17 and 20, and JQC complaints for the same action.

20. Judge Padar and Judge Walker with Sarasota County staff and commissioners have conspired against Defendants rights for 2yrs with the PENTAGON and Bush Family ties to Vern Buchanon and local Manatee and Sarasota groups such as but not limited to, Tiger Bay Club, Audobun Group, Sierra Group, Manasota 88, Sarasota Hospital Boards and Israel Chemical LTD/Mosaic Company, EPA, FDEP, Desantis and Florida Congress with some cross claim defendants in related cases herein after named as the (“Eugenics operation Party”) have worked together to attack Defendant’s land, regional water supply project, clients, family and civil rights.

21. For example, as shown on Tax rolls where 360 acres of Defendants property since 2013 was suddenly reduced from approx \$2million for 360 acres to \$50,000.00 to Lee Pallardy, of LPI Real Estate and Development, as part of the land fraud sale on October 5, 2020 on Cecil Daughtrey, Judge Padar, Judge Ruhl, Judge Stroker, Judge Williams, Judge Roberts, Judge Bonner, Judge Hall, Judge Walker, Judge Donnelan, Judge Walker and Eugenics operation Party these Judges and local groups worked with Ryan Snyder and 72 Partners LLC (Thomas Howze of C1 Bank, Lee Pallardy of Tampa Notre Dame Rough Riders, Judge Conrad, Judge Dominquez, Judge Mark Wolfe, Judge Delano, Judge Goudie worked to hold Defendant hidden in Jails while they FRUADED TAX BASE, fraudulently inserted a 95acre legal description (1 parcel – the Daughtrey

Homestead and well), for a 7 parcel 2380 acre legal that illegally included Defendants landed deeded to him over a year prior to any Trustee Quit Claim deed, in 2014. which this case shows, that Judge Walker railroaded while Defendant is illegally incarcerated on fighting a civil case, by Sarasota Sheriff, who fell on his face with a meritless arrest to subdue Defendant, while Judge Walker attacks the regional water supply project and Defendant with Defendants and more, as shown on transcripts being produced with disk video at the January 18, hearing, when questioned by Honorable Judge Lyann Goudie.

22. On July 12, 2023, Judge Padar vindictively attacked the Defendants rights again when was served the day before on July 11, 2023, through Judge Roberts, via Gilberti vs FBI, et al, and was not supposed to say anything and be REMOVED FROM THE CASE, since US Terrorism acts are involved and she is harboring them with Judge Krugg of Notre Dame for a massive Corrupt Catholic Church gang who grew up here in the area, and have attacked the Defendant with timed FRAUDULENT charges since they FRAUDED THE PUBLIC with Ryan Snyder on October 5, 2020 sale, where a Request to Prosecute is still being ignored and harbored for Eugenics by Padar and Circuit 12 as a whole for over 12 years now!

23. Judge Padar is aware of the attack on Defendants son's school all retroactive with the FRAUD by Judge Walker who issued a Motion to Dismiss in favor of 72 Partners LLC vs Gilberti, et al still ongoing and open for Case 2019 CA 04532 NC, which affects directly to this case and its appeals pending to this case, who is no longer on this property (now LPI Realestate and Development, LLC) since March 2021, which ties him back to ignoring Defendants motions, evidentiary hearing request to bond a title fraud case, via case 72 Partners LLC vs Cecil Daughtrey Case 2011 CA 04209 NC, where he again helped 'Eugenics operation Party' steal property, that is now shown on a recent evidentiary hearing held in another Circuit on Defendants, on January 18, 2022.

24. Defendant has prepared and is filing a QJS report on Judges named above as well as, Tampa Middle District, Attorney General Moody, Miami Southern District for conspiring against Defendant pursuant to Title 18 US Code 241 and 242, and especially on an October 5, 2020 land sale, while rotating in retired Judges on every trial, who are collectively, with Sarasota County staff and commission in a newly filed Racketeering case, Gilberti vs CDC, et al, involving Defendants civil rights, water supply eugenics, court and title fraud, and more, under FBI and Federal investigation.

25. Judge Padar will be deposed shortly in an Evidentiary hearing for Gilberti v FBI, et al in Palm Beach County and Washington DC for harboring Terrorism and a fraud transfer on Cecil Daughtrey property.

26. Judge Padar is holding up millions of Jobs by attacking Defendant for three years.

27. Defendant fears that he will not receive a fair trial or hearing because of specifically described prejudice or bias of the Judge Padar and potentially any Sarasota Judge, where Defendant was denied a Motion to Change Venue by over 10 Judges, including Judge Padar, Judge Krugg, Judge Williams, Judge Walker and Judge Ruhl, as over 45 lawfirms in the region declined to help due to Politics and the hidden resource, corruption over 8-11yrs on other cases, etc., leaving the Defendant helpless and forced to file Pro Se for years. Each attorney retained, in the past, approximately 7 years ago for years took his money then they ran off due to politics across Florida, on this resource and related cases to this case, such as but not limited to, Sarasota Case 72 Partners LLC vs Cecil Daughtrey Case 2011 CA 04209 NC, Joseph Gilberti vs 72 Partners LLC Case 2015 CA 006544 NC, 72 Partners LLC vs Joseph Gilberti Case 2016 CA 000205 NC, 72 Partners LLC vs Joseph Gilberti PE Case 2021 CA 01009 NC, State vs Gilberti Case 2021 CF 007559 NC, ALL of which involved this land FRAUD BY DEFENDANTS. Now a New Case served to Depose Judge Padar and Tom Widen on the Fraud transfer by Sarasota County via Oct 5, 2020 sale shown

on her dockets and objections to the 2ndDCA who is also receiving the same with JQC complaints and FCA complaints in Federal courts today.

28. Judge Padar is part of a racketeering operation and land grab for a hidden underground Spring Water Resource permitting to the Regional taps by Defendant and his Motion to Dismiss was to destroy the project and attack the region with water supply eugenics with 'Eugenics operation Party', where Sarasota commission, has spent hundreds of millions in tax dollars to build dangerous reservoirs (RV Griffin Reservoir at Peace River WTP in Desoto county) and hide this resource with environmental sensitive land payments to the neighbors, including Buster Longino (ex Sarasota county Commissioner), Carlton Family (Lisa and Kimberly Carlton Bonner – chief Judge in Sarasota), now this property in May 2021, taking \$5.5 million in Sarasota Capital improvement budgets, with Commission Maio and Kenny Harrison who sits on the Peace River manasota Water Supply board, Babcock Ranch board, and friends with Judge Hall and Parker on the Arcadia Rodeo Board who stole my plans and are in a Fraud Transfer in Desoto with Commissioners Langford and Judge Hall, buying lands with Tax base off each other in 2010, while attacking Defendant with this gang, Dave Wienstein and Greenberg Traurig doing mining compacts in the regions to pay \$100millions in deal timed with election in a 35year loafing game on a Swing State, to run a water supply Eugenics operation that is now a Terrorist operation by the DOJ, Legislative and Executive branches of Florida and USA.

29. Judge Padar is aware of all issues as explained in the multiple motions, and continues to attack Defendants project and rights knowing of the Tax fraud by Sarasota Judges and Commissioner and 72 Partners the so called Victims on this case without any experts, but defendants survey experts testified, and she continues the Treachury, stating she is doing her job by Law? Eveyone can see that is NOT THE CASE except her, which may require a Mental Test.

30. Judge Padar assisted in the Sarasota County obvious title fraud on Defendant's lands with PUBLIC RECORDS by the county showing lies on the closing documents going against Title 18 USC 1000 and 1010, which were illegally sold with the help of Judge Padar, Krugg, Walker and other Judges with the 'Eugenics operation Party' doing business in the region and or the surrounding court circuits attacking Defendant.

31. Judge Walker lied with 72 Partners on title fraud on the foreclosure sale, while staying the related case Gilberti vs 72 Partners LLC, Case 2019 CA 04532 NC, and issuing in favor of the thieves, at the October 5, 2020 foreclosure sale, via 72 Partners vs Cecil Daughtrey, 2011 CA 04209 NC, and helped in the fraud on all objections and avoided all evidentiary hearing to assist in the land fraud with other Judges of this Circuit and the Second DCA who helped affirm it to avoid the Florida Supreme court appeal process. "Defendant can prove Judge Walker and Padar lied and 'Eugenics operation Party' have lied in this case and the Daughtrey foreclosure sale, with Sarasota Clerk of court, and shown on upcoming transcripts from the stated January 18, 2022 evidentiary hearing, indicates a bias against the party." *Brown v. St. George Island, Ltd*, 561 So. 2d 253, 257 (Fla. 1990).

32. Judge Padar is part of the 'Eugenics operation Party' who committed the fraud with Defendants and Judges in Circuit 12 with Judge Walker, without permitting Defendant's experts to testify in an evidentiary hearing, Accord, *Peterson v. Asklepious*, 833 So. 2d 262 (Fla. 4th DCA 2002)(disqualifying trial judge in a contempt action where the trial court's comments indicated that the judge was not going to believe any statements by the Defendant concerning his water supply project, rights and abilities to proceed and attacks Defendants rights to email or process the case and coordination with clerks per her order in breach of law; *Deauville Realty Co. v. Towbin*, 120 So. 2d 198 (Fla. 3d DCA 1960).

33. Witnesses and Defendant can show that Judge Padar was biased toward 72 Partners, LLC and 'Eugenics operation Party' in recent actions and has railroaded all cases to help Sarasota county obtain an easement for \$3.5million on said lands, **another recent \$2mil on Defendants 360acre parcel where Sarasota staff agrees this Judge Padar is helping Commissioners and Vern Buchanon tied to 9-11 Blue Gold Bush family**, where the land was only purchased for \$185,000.00 dollars, as 72 Partners LLC and their members have reborrowed and paid off locals under investigation and the defendants, as done over the past years, using tax dollars as their income and title fraud, where the County slides in a 95acre parcel of land at the sale, but advertizes 2380 acres (7 parcels worth \$20million), then 72 Partners Certifies it with Judge Walker, and Judge Walker avoids all evidentiary hearings and bond requests by Defendant on this case and cases listed above.

34. Judge Padar ignored all Defendant's professional land surveyors and witness affidavits on the title fraud and land sale game and Acts of War initiated on USA and Defendants rights via H.R. 5736 Smith Mundt Act Mod of 2012 retroactive with initial find and exposure to SWFWMD in May 2012 by Defendant with Daughtrey and staff. Just as a trial court's expression of bias or prejudice directed toward a litigant or the litigant's attorney will support and compel disqualification, the judge's bias or prejudice directed toward a party's witness also is grounds for disqualification. See *Fogun v. Fogun*, 706 So. 2d 382 (Fla. 4th DCA 1998); *Fogelman v. State*, 648 So. 2d 214, 219-20 (Fla. 4th DCA 1994)(court's comments relating to credibility of movant's witness was one ground to support disqualification).

35. Judge Padar with Village of Estero and Naples have attacked America with Sarasota and Ron Desantis. See public record video at Village of Estero - [https://youtu.be/vQGrIz\\_Y2Xk?list=PL9cPeJRA7Ms3c7gjlA4AtftCxCMHGzNt](https://youtu.be/vQGrIz_Y2Xk?list=PL9cPeJRA7Ms3c7gjlA4AtftCxCMHGzNt)

36. City of Naples presentation by Defendant shows Naples to Sarasota and Tampa Judges all attack Americans and harbors 9-11 Terrorism with Judge Padar and Trump-Byron Donalds, Biden, Obama, Bush gangs of Sarasota with Judge Padar – See Video <https://youtu.be/aDVmJefgcpk?list=PL9cPeJRA7Ms3c7gjjlA4AtftCxCMHGzNt>

37. See Village of Estero offer for free Water bills where Mayor attacked who sits on the Lee County MPO to hide it with this same Sarasota to Miami gang of criminal lawyers and attorney Politicians tied to FSU, UM, FGCU, USF and Sarasota colleges. [https://youtu.be/1en5q28\\_JgM?list=PL9cPeJRA7Ms3c7gjjlA4AtftCxCMHGzNt](https://youtu.be/1en5q28_JgM?list=PL9cPeJRA7Ms3c7gjjlA4AtftCxCMHGzNt)

38. Judge Padar and all of Circuit 12 Judges work with Judge Don T. Hall, City of Naples, US Congressman Byron Donalds and Israel Chemical LTD/Mosaic Phosphate to force POOR SITE SOURCING in water supply to create a cancer cluster on kids at the Tap. Ignoring and attacking our project and civil rights to finish permitting also tied to Tampa stealing over \$57,000.00 dollars out of Defendants banks – See Gilberti vs Scott Freyre et al in Tampa filed.

39. Judge Padar and City of Naples hide this regional project with Sarasota Commission and FGCU Trustee Board where Luis Rivera is placed by Henderson Franklin lawyers attacking in Fort Myers since 2010. see project video hidden during Hurricane Ian that would bring insurance coverage to millions of residents but Judge Padar attacks. Plays stupid and files evaluations? See video. <https://youtu.be/btsrz8iwv4k?list=PL9cPeJRA7Ms3c7gjjlA4AtftCxCMHGzNt>

40. Meeting at City Hall New York on failing Aquaducts Judge Padar and 2ndDCA is hiding with FBI criminals to attack all Americans - <https://youtu.be/11jyRiC6FQY?list=PL9cPeJRA7Ms3c7gjjlA4AtftCxCMHGzNt>

41. Judge Padar has demeaned Defendant to the point of demonstrating prejudice. See, e.g., *Olszewska v. Ferro*, 590 So. 2d 11 (Fla. 3d DCA 1991).

42. Based on the totality of the above factors and illegal actions by Judge Padar to approve issues orders to take rights, harboring the October 5, 2020 Transfer using Sarasota Sheriff, Detectives, Commissioner and local groups tied to Judges, like Tiger Bay Club, etc.;

43. **I have a reasonable and well founded fear that I cannot receive a fair and impartial hearing or trial while Judge Padar presides in or on my case(s).** See *Department of Agriculture and Consumer Services v. Broward County*, 810 So. 2d 1056, 1058 (Fla. 1st DCA 2002) (emphasis added). I feel the objective factors stated above give rise to a reasonable doubt as to the fairness of Judge Walker and there appears to be signs of impropriety based on the above factors as well.

44. I swear and affirm the forgoing is True and Correct to the best of my knowledge.
